<Reference> Results for the fiscal year ended March 31, 2024	37,805	4,645	5,263	3,443	390.14

### 3. Reason for the revision

Although the adjustment in semiconductor demand has lasted longer than initially expected, the consolidated earnings forecast for the first half of the fiscal year ending March 31, 2025, is expected to exceed the previous forecast reflecting the impact of a weaker yen and strong sales in other business segments in the first quarter of the current fiscal year.

Regarding the consolidated earnings forecast for the fiscal year ending March 31, 2025, due to above factor, net sales, operating income, ordinary income, and profit attributable to owners of parent are expected exceed the previous forecast.
